

Step-Through Frame City Bicycle

This city bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a sprung saddle, rear rack, mudguards and caliper brakes.

Overview

Urban Mobility Solution

This step-through frame city bicycle is designed for convenient urban commuting and recreational riding. Featuring a comfortable sprung saddle and practical accessories like a rear rack and mudguards, it ensures a smooth and tidy ride. The simple, low-maintenance single-speed drivetrain makes it an ideal choice for city streets.
