

Step-Through Frame City Bicycle

This bicycle is designed with a step-through frame for easy mounting and dismounting in urban environments. It comes equipped with fenders, a rear rack, a front basket, and a multi-speed drivetrain.

Overview

Urban Commuter Design

This step-through frame city bicycle is engineered for optimal comfort and practicality in urban environments. Featuring a lightweight frame for easy maneuverability and a versatile multi-speed drivetrain, it handles varying city terrains with ease. Integrated accessories like front and rear fenders, a rear cargo rack, and a front basket make it an ideal solution for daily commuting and recreational riding.
