

Step-Through Frame City Bicycle with 24-Speed Gears

This city bicycle is designed with a step-through frame for easy mounting and dismounting. Equipped with a 24-speed Shimano drivetrain, it is suitable for city tours and commuting.

Overview

Versatile Urban Mobility

This step-through frame city bicycle is engineered for convenience and stability in urban environments. Featuring a low center of gravity and an ergonomic, upright riding position, it ensures comfort for daily commuting or casual riding. With a 24-speed gear system and reliable disc brakes, this bike offers the versatility needed to handle diverse city terrains with ease.
