

Step-Through Frame City Bicycle with Basket

This step-through frame bicycle is designed for comfortable and convenient urban riding. It features a front-mounted basket for carrying items and full fenders for protection against splashes.

Product Overview

Urban Convenience & Design

This step-through frame city bicycle is engineered for effortless urban commuting and leisurely rides. Featuring a low step-over height, it ensures quick and easy mounting and dismounting for riders of all abilities. The integrated front-mounted basket provides practical storage for daily essentials, while full fenders protect the rider from splashes in various weather conditions.
