

Step-Through Frame Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame, front basket, and rear rack with backrest. It is equipped with a rear hub motor, pedal assist system, integrated battery, and suspension fork.

Product Overview

Versatile Electric Commuter

This electric bicycle features a convenient step-through frame design, making it accessible and easy to mount for riders of all abilities. Equipped with both a front basket and a rear rack with a backrest, it is optimized for daily errands and urban commuting. The integrated battery system and rear hub motor provide reliable pedal-assist power for an efficient and eco-friendly transportation experience.
