

Step-Through Frame Electric Bicycle with Cargo Rack

This electric bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a battery pack and a rear rack for carrying cargo.

Overview

Versatile Step-Through Electric Bicycle

Designed for accessibility and utility, this electric bicycle features a convenient step-through frame that allows for effortless mounting and dismounting. Equipped with a reliable electric motor and integrated battery pack, it offers efficient power for daily commuting or light cargo transport. The inclusion of a rear cargo rack, front and rear fenders, and a suspension fork ensures a comfortable and practical riding experience across various urban environments.
