

Step-Through Frame Electric Bicycle with Front Basket

This electric bicycle features a step-through frame for easy access and a front basket for convenient carrying. It is equipped with a battery pack and an electric motor for assisted propulsion.

Product Overview

Designed for Convenience and Utility

This electric bicycle features a user-friendly step-through frame design, allowing for effortless mounting and dismounting. It is equipped for daily utility with a convenient front basket and a rear storage rack, making it ideal for commuting or running errands. The compact design and integrated lighting system ensure both maneuverability and safety in urban environments.
