

Step-Through Frame Electric City Bicycle

This electric bicycle is designed with a step-through frame for easy mounting and dismounting. It includes a front basket and padded seat with a backrest for comfortable city rides.

Product Overview

Designed for Urban Comfort

This step-through electric city bicycle is engineered for effortless urban commuting and comfortable leisure riding. Featuring a robust frame design combined with suspension forks, it ensures a smooth and stable experience on city streets. The inclusion of practical accessories like a front basket and padded seating with a backrest makes it an ideal choice for daily errands and relaxed travel.
