

Step-Through Frame Electric City Bicycle

This electric bicycle is designed with a step-through frame for easy mounting and dismounting. It provides electric assistance for city commuting and leisure rides.

Overview

Designed for Urban Mobility

This electric city bicycle is engineered for comfortable and accessible urban commuting. Featuring a user-friendly step-through frame, it allows for easy mounting and dismounting, making it suitable for riders of all ages and abilities. The robust electric motor and long-lasting battery provide reliable assistance for tackling hills and extending your range, while integrated accessories like racks, lights, and mudguards ensure you are ready for any city tour.
