

Step-Through Frame Motorcycle with Luggage Rack

This motorcycle has a step-through frame and a rear luggage rack. It is equipped with spoke wheels, drum brakes, and an air-cooled four-stroke engine.

Overview

Versatile Step-Through Utility Motorcycle

This step-through frame motorcycle is designed for efficient urban mobility and light utility tasks. Featuring a sleek, aerodynamic profile with a distinctive blue and silver color scheme, it combines style with functional design elements like a dedicated rear luggage rack. Built for reliability, it utilizes a dependable air-cooled four-stroke engine and robust suspension components, making it an ideal choice for daily transport and delivery needs.
