

Step-Through Frame Motorcycle with Luggage Rack

This motorcycle has a step-through frame design and includes a rear luggage rack. It is equipped with a single seat and a standard headlight and taillight configuration.

Overview

Reliable Utility Motorcycle

This step-through frame motorcycle is designed for efficient urban transport and utility tasks. Featuring a durable air-cooled engine and a practical rear luggage rack, it provides a stable and accessible riding experience. Its classic design, accented with vibrant graphics and chrome detailing, makes it a reliable choice for professional delivery or personal commuting needs.
