

Step-Through Frame Motorcycle with Storage Rack

This motorcycle features a step-through frame and streamlined design. It is equipped with a windshield, front and rear seating, disc brakes, and a rear storage rack.

Overview

Versatile Step-Through Utility Motorcycle

This step-through frame motorcycle is engineered for efficiency and ease of use in urban or commercial environments. Featuring a robust rear storage rack and comfortable dual-seating, it provides a practical solution for delivery tasks or daily commuting. The streamlined design incorporates essential safety features like disc brakes and integrated lighting to ensure reliability and visibility.
