

Step-Through Motorcycle with Luggage Rack

This step-through motorcycle is equipped with a single-cylinder engine and a rear luggage rack. It is finished in a maroon color with chrome accents and is suitable for urban commuting.

Overview

Versatile Urban Commuter

This step-through motorcycle is designed for efficient urban commuting and short-distance travel. Featuring a reliable single-cylinder engine and a practical rear luggage rack, it balances performance with everyday utility. The classic design is complemented by chrome accents and a durable build, making it an ideal choice for professional delivery use or personal transportation.
