

Stereo Foldable Headphone with Mic

This stereo headphone is foldable and equipped with a microphone. It has 40mm speakers.

Overview

Professional Studio Monitoring

The LKT-B62 is a professional-grade studio monitoring headphone designed for critical listening and accurate sound reproduction. Featuring closed-back earcups for superior isolation, these headphones provide a detailed and balanced frequency response, allowing for precise monitoring and mixing. The adjustable headband and cushioned earcups ensure a comfortable fit for extended use in demanding studio environments.
