

Stereo Foldable Over-Ear Headphones with Microphone

These stereo headphones feature a foldable design for portability. Equipped with a microphone, they are suitable for calls and communication.

Overview

Stereo Foldable Over-Ear Headphones

These stereo headphones are designed for reliable audio performance in professional or personal settings. Featuring a foldable design for easy storage and portability, they include an integrated microphone for clear communication. The over-ear build with padded cups ensures comfort during extended use, while the wired 3.5mm connection provides consistent, lag-free audio.
