

T-Handle Torx Key Set, 5-Piece

This 5-piece T-handle Torx key set is designed for efficient and comfortable use. The set includes Torx sizes T15, T20, T25, T30, and T35 and is ideal for automotive, mechanical, and DIY applications.

Product Overview

Professional T-Handle Torx Key Set

This 5-piece T-handle Torx key set is engineered for durability and user comfort in demanding mechanical and automotive environments. Constructed from high-strength Chrome Vanadium steel with hardened shafts, these tools ensure maximum torque transfer and longevity. The ergonomic bi-material T-shaped handle design provides a secure, non-slip grip, allowing for efficient operation even during repetitive fastening tasks.
