

Tabletop Hot and Cold Water Dispenser

This tabletop water dispenser offers both hot and cold water dispensing options. It features indicator lights to show hot, warm, and cold water status, along with dispensing taps and a removable drip tray.

Product Overview

Compact Hot and Cold Water Dispenser

This versatile tabletop water dispenser is designed to provide efficient access to hot and cold water in home or office environments. It features a space-saving design perfect for countertop placement while ensuring convenient operation with dedicated dispensing taps. With integrated indicator lights and a removable drip tray, it combines ease of use with simple maintenance for daily hydration needs.
