

# Teal Three-Blade Ceiling Fan

This ceiling fan features three blades designed for optimal airflow in any room. The fan has a teal finish with a gold accent band around the motor housing.

## Product Overview

### Modern Teal Ceiling Fan

This three-blade ceiling fan features a striking, consistent teal finish that adds a modern touch to any residential or commercial interior. Engineered for performance, the blades are aerodynamically shaped to provide efficient and consistent airflow. The design is completed with a refined motor housing that includes a subtle, decorative gold band accent, blending aesthetic appeal with functional cooling.
