

Textured Rubber Roller Sleeve

This rubber sleeve is designed for use with decorative texture rollers. It features a unique textured pattern for creating raised designs on walls and other surfaces.

Product Overview

Textured Rubber Roller Sleeve

This textured rubber roller sleeve is designed for creating raised decorative patterns on walls and various surfaces. Crafted from durable rubber material, it ensures long-lasting performance and is easy to clean after use. It is fully compatible with standard roller frames, making it an ideal tool for professional interior design projects requiring unique textured effects.
