

Threaded Lifting Eye Bolt with D-Shackle

This is a threaded lifting eye bolt with an attached D-shackle. It is available in various lengths to suit different applications.

Product Overview

High-Performance Lifting Solution

This threaded lifting eye bolt is engineered for secure and reliable load attachment in industrial lifting applications. Featuring an integrated D-shackle, it provides a flexible connection point for slings, hooks, or chains. The design is optimized for precision, with standardized M3.5 threading and a wide range of length options to suit specific clearance and load requirements.

Technical Specifications

D-Shackle Dimensions

20 mm
