

Three-Burner Stainless Steel Gas Hob

This gas hob features a stainless steel surface with three burners. It includes enameled burner caps, cast iron pan supports, and front-mounted control knobs.

Product Overview

Professional Three-Burner Performance

This stainless steel gas hob offers a versatile cooking solution with three distinct burner configurations designed for efficiency and durability. Featuring robust cast iron pan supports and black enameled burner caps, it provides a stable cooking surface suitable for various culinary tasks. The sleek, grooved stainless steel design ensures both aesthetic appeal and ease of maintenance in professional kitchen environments.
