

Three-Light Hemispherical Pendant Fixture

This pendant fixture features three lights with a brushed metal finish. Its hemispherical shades hang from a rectangular mounting plate by black cords.

Overview

Modern Three-Light Pendant Solution

The Three-Light Hemispherical Pendant Fixture is a sophisticated lighting solution designed for modern interiors. Featuring three elegant hemispherical shades suspended from a sleek rectangular mounting plate, it provides focused illumination ideal for kitchen islands, dining tables, or professional workspaces. The brushed metal finish and adjustable black cords offer a contemporary aesthetic that blends seamlessly into various architectural styles.
