

Three-Tier Electric Food Steamer

This electric food steamer is constructed from PP material and includes a 60-minute timer. Each layer provides a 4.0L capacity and features overheat protection.

Overview

Healthy Steaming Solution

This three-tier electric food steamer offers a convenient and healthy way to prepare vegetables, meats, and fish. Featuring a user-friendly digital control panel, the appliance simplifies meal preparation with multiple cooking programs. Its transparent, multi-level design allows for simultaneous cooking of different food types, making it an ideal solution for efficient kitchen operations.
