Product Size	40 x 35 x 31 mm
Hollow Window Size	24 x 16 mm

Key Features

Key Advantages

Eliminates Lippage • Reusable Wedges • Wall & Floor Compatible • Quick Installation • Reduces Fatigue

Usage Instructions

Installation Steps

Step	Action
1	Place spacer 100mm from both ends of the tile.
2	Fasten the wedges once tile and spacer are in place.
3	Clamp the pieces together with the leveling tool.
4	Remove wedges by kicking along the grout joint after adhesive dries.
5	Remove wedge from spacer for re-use.
