

Tilt LCD TV Wall Mounting Bracket 13-30 inch

This wall mounting bracket is designed for 13 to 30-inch LCD TVs. It features a tilting mechanism and a ball joint design for flexible viewing angles.

Product Overview

Versatile Mounting Solution

This high-gauge cold-rolled steel wall mounting bracket is designed to support LCD TVs ranging from 13 to 30 inches. Featuring an innovative ball joint design, it offers exceptional flexibility with angle-free tilt, 180° swivel, and full 360° rotation capabilities. The integrated bubble level ensures precise installation, making it a reliable choice for professional and home setups.
