

Tilting TV Wall Mount for 32-55 inch Screens

This ultra-slim TV wall mount sits close to the wall, complementing the sleek look of flat screen TVs. Its lateral shift feature allows users to slide the TV for the perfect viewing angle.

Product Overview

Universal Tilting TV Wall Mount

This professional-grade, ultra-slim wall mount is designed to support flat and curved screens ranging from 32 to 55 inches. Engineered for durability, it accommodates weights up to 35kg while allowing a $\pm 5^\circ$ tilt for flexible viewing angles. The assembly includes a safety lock system and lateral shift capabilities to ensure perfect positioning in residential or commercial spaces.
