

Tilting TV Wall Mount for 37-70 inch Screens

This TV wall mount is designed for 37-70 inch flat screen televisions. It extends the TV from the wall to allow tilting for optimal viewing.

Product Overview

Versatile TV Mounting Solution

This professional-grade tilting TV wall mount provides a secure and space-saving solution for screens ranging from 37 to 70 inches. Engineered with a durable steel frame, it supports loads up to 50kg while maintaining an ultra-slim profile of just 65mm from the wall. Its flexible $\pm 12^\circ$ tilt adjustment ensures an optimal viewing angle, making it an ideal choice for installation above eye level or in bright environments where glare reduction is required.
