

# Tilting TV Wall Mount for 42-70 inch Screens

This TV wall mount is designed for 42-70 inch flat and curved screens. It features an easy tilting mechanism to meet different viewing needs.

## Product Overview

### Professional Viewing Experience

This universal tilting wall mount is designed for 42 to 70-inch flat and curved screens, offering a sleek, ultra-slim profile of only 26mm from the wall. Engineered from high-quality steel, it supports up to 35kg while providing an adjustable -8° tilt for optimal viewing angles. The assembly includes all necessary hardware and a lateral shift feature for precision positioning in home or commercial spaces.
