Product Overview

High-Performance USB-C Connectivity

This tinned copper data cable is engineered for optimal signal transmission and reliable fast charging performance. Designed with a unique rocket-shaped connector housing, it combines ergonomic grip with durable construction. It serves as an ideal solution for professionals requiring consistent power delivery and high-speed data transfer between smartphones, tablets, and laptops.

Technical Specifications

Cable Length	1 m
Interface Type	USB Type-C to Type-C
Conductor Material	Tinned Copper

Compatibility

Supported Ecosystems

- Samsung
- Huawei
- Sony
- LG
- OnePlus
- Motorola
- Nokia

Features

Design Features

Rocket-shaped housing • Enhanced grip • Strain relief construction • Fast charging support
