

TNC Female Bulkhead Connector

This is a TNC female bulkhead connector. It is designed for secure and reliable connections in various applications.

Product Overview

TNC Female Bulkhead Connector

This TNC female bulkhead connector is engineered for secure and reliable signal transmission in demanding environments. Designed with precision, it features a standardized 7/16"-28NUEF thread for robust mounting. Its compact dimensions make it an ideal choice for space-constrained applications requiring a bulkhead interface.

Dimensions

Total Length	27.7 mm
Flat Area Width	8.8 mm
Diameter (End A)	9.1 mm
Diameter (Threaded End)	11.8 mm

Technical Specifications

Connector Type TNC • Female • Bulkhead	
Thread Specification	7/16"-28NUEF
