

Toner Cartridge

This is a toner cartridge for printers. It is a consumable item that provides the toner for printing documents.

Product Overview

High-Performance 10-Inch Woofer

The ET10001 is a robust 10-inch woofer engineered specifically for car audio applications, delivering a deep and resonant sound profile. Featuring a durable non-press PP cone and a reinforced black metal basket, this unit is built to withstand high-output environments. It utilizes a powerful 40 OZ magnet and a 2-inch voice coil to ensure precision and clarity across its broad frequency range.
