Product Overview

Innovative Toolbox Display Freezer

This toolbox-style display freezer combines a unique, industrial aesthetic with high-performance commercial cooling. Designed to attract customer attention in retail environments, it offers a compact footprint with heavy-duty mobility via 3-inch wheels. The dual-drawer configuration ensures efficient organization and easy access to frozen goods while maintaining precise temperature control.

Technical Specifications

Total Capacity	50 L
Refrigerant	R134a/45g
Climate Class	N

Performance Metrics

Operational Metrics

82 W Input Power	0.85 kWh/24h Energy Consumption	10 °C Max Temperature
----------------------------	---	---------------------------------

Physical Dimensions

Unit and Interior Sizes

Component	Dimensions (WxDxH mm)
Product Size	435 x 515 x 745
Drawer A	380 x 245 x 185
Drawer B	380 x 380 x 225

Logistics

Container Load Capacity

- 20GP: 108 pcs
- 40GP: 152 pcs
- 40HQ: 228 pcs

Weight Specifications

Net Weight: 25kg, Gross Weight: 30kg
