

Top-Freezer Refrigerator with Floral Design

This refrigerator features a top-freezer configuration for efficient cooling. The appliance showcases a vibrant red finish with a floral design, adding a stylish touch to any kitchen.

Product Overview

A Stylish Storage Solution

This top-freezer refrigerator combines high-performance cooling with a unique, vibrant floral aesthetic. Designed for modern household requirements, it offers a reliable two-door configuration that ensures food remains fresh and well-organized. Its striking red finish and decorative design serve as both a practical kitchen appliance and a standout decorative piece.
