

Top-Freezer Refrigerator with Floral Design

This refrigerator features a top freezer compartment and a larger refrigerator compartment below. It is designed for household use and provides cooling and freezing capabilities for food storage.

Product Overview

Stylish Floral Top-Freezer Refrigerator

This top-freezer refrigerator combines essential food storage functionality with a distinct, glossy floral aesthetic. Designed for household convenience, it offers a dual-compartment layout with a dedicated upper freezer and a spacious lower refrigeration section. Its eye-catching red finish and patterned design make it a standout choice for modern domestic kitchens.
