

Top-Freezer Two-Door Refrigerator

This is a two-door refrigerator with a top freezer compartment and a bottom refrigerator compartment. It features a light yellow or beige finish with a floral design on both doors.

Product Overview

Elegant and Functional Design

This top-freezer two-door refrigerator combines practical cooling utility with a distinctive aesthetic appeal. Featuring a refined light yellow or beige finish accented by an elegant floral pattern, this unit serves as both a functional appliance and a visual enhancement to its environment. Its standard size makes it an ideal solution for residential or light commercial kitchen spaces.
