

Top-Loading Washing and Drying Machine

This is a top-loading washing and drying machine. It features a transparent lid and a control panel at the top front.

Overview

Professional Top-Loading Solution

This high-capacity top-loading washing and drying machine offers a streamlined design suitable for efficient household laundry management. Its metallic gold-accented top and intuitive control panel combine aesthetic appeal with functional reliability. The inclusion of a transparent lid allows users to monitor the washing cycle in real-time for improved visibility and control.
