

Top-Loading Washing and Drying Machine

This is a top-loading washing and drying machine. It features a digital display and control panel.

Product Overview

Compact Laundry Solution

This top-loading washing and drying machine offers a space-saving design perfect for efficient garment care. Featuring an intuitive digital control panel, it allows for precise management of wash and dry cycles. Its modern two-tone aesthetic combines a clean white body with a subtle beige top to complement any functional setting.
