

Top-Loading Washing Machine

This top-loading washing machine is designed for household use. Its compact, square design features a transparent lid and easy-to-use controls.

Product Overview

Compact Laundry Solution

This top-loading washing machine is engineered for efficiency and ease of use in residential environments. Its compact, square form factor allows for seamless integration into laundry areas with limited space. With a transparent blue-tinted lid and intuitive top-mounted controls, users can easily monitor and manage their laundry cycles.
