Product Overview

High-Performance Suspension Protection

This Strut Bumper and Bellows Kit is engineered to meet strict original equipment parameters, ensuring identical performance and material quality to OEM components. Featuring high-quality polyurethane buffer blocks and durable natural rubber or TPV dust covers, the kit offers excellent resistance to wear, tension, and extreme temperatures. Each component is precision-adjusted for optimal hardness, providing effective protection for shock absorbers and extending their service life by up to 100,000 kilometers.

Compatibility & Fitment

Compatible Model	Toyota Yaris
Production Years	1999-2005

Technical Specifications

High-quality polyurethane buffer block and protective dust cover kit designed for durability.

Fatigue Test Performance

200000 times

Impact Cycles

Materials	Polyurethane, Natural Rubber, TPV
Position	Suspension system
Low Temperature Performance	-40°C
Shelf Life	3 years

Ordering & Logistics

OE Numbers

- 4875052010
