Product Overview

Robust Security for Towables

This heavy-duty universal trailer coupler lock provides essential security against theft for a wide range of towable equipment. Constructed from durable, high-strength materials, it features a corrosion-resistant finish for long-lasting performance in various weather conditions. Its highly visible design serves as an effective visual deterrent, while the robust locking mechanism ensures peace of mind for professionals.

Compatibility

Compatible Coupler Sizes	1-7/8 inch, 2 inch, 2-5/16 inch, 50mm
