

Trailer Hitch Coupler

This trailer hitch coupler is available in multiple sizes, including 1-7/8", 2", 2-5/16", and 50mm. It is suitable for use with utility, boat, and cargo trailers.

Product Overview

Robust Connection Solution

This trailer hitch coupler is a critical component engineered to provide a secure and reliable connection between your vehicle and trailer. Crafted from high-strength steel, it ensures durability under heavy-duty towing conditions. The unit is designed for ease of use, featuring an intuitive latching mechanism for quick attachment and detachment, making it ideal for utility, boat, and cargo trailers.
