

Treadle Operated Sewing Machine

This vintage sewing machine is mounted on a wooden table with a treadle. The machine features ornate detailing and a black finish.

Product Overview

Timeless Precision

The JA2-2 household sewing machine is a classic, treadle-operated unit designed for reliable performance in domestic sewing tasks. Featuring a robust construction with ornate detailing, it combines traditional aesthetic appeal with manual operation functionality. The integrated wooden table provides a stable workspace, complete with storage drawers for organized textile craft workflows.
