

Triple Monitor Desk Mount for 13-24 inch Screens

This monitor mount attaches to desks to free up space for other items. It is designed for monitors ranging from 13 to 24 inches and can be used in standing desk applications.

Product Overview

Ergonomic Triple Monitor Solution

This triple-arm desktop mount is engineered to support three monitors ranging from 12 to 24 inches, providing a highly adjustable workspace. The robust gas spring structure ensures smooth movement and maximum flexibility, allowing for effortless positioning. By elevating your displays, this mount optimizes desk space and encourages better posture to reduce neck and back strain during long work sessions.
