

Truck and Bus Wide-View Mirror

This wide-view mirror is designed for use on trucks and buses. It provides an expanded field of view to enhance driver safety and awareness.

Product Overview

Universal Wide-View Visibility

This large rectangular mirror is specifically engineered to provide an expansive field of view for trucks and buses. Its durable, weather-resistant black housing is designed to withstand the rigors of heavy-duty commercial use. Providing reliable visibility, this unit is an excellent aftermarket solution for ensuring driver safety on the road.
