Product Overview

Engine Performance Upgrade

This high-performance turbocharger is precision-engineered for GAZ engine systems to optimize air intake and exhaust efficiency. Designed to enhance horsepower and torque, it offers a reliable aftermarket solution for both standard and modified vehicle setups. The unit features robust metal construction to ensure long-term durability and consistent power delivery under demanding operating conditions.

Technical Specifications

Part Number	5370734
Vehicle Application	GAZelle NEXT

Physical Attributes

Weight	7.8 kg
Dimensions	33 x 25 x 30 cm

Logistics and Warranty

Packaging Details

- 1 piece per box
- Foton Box packaging

Warranty Period	6 months
-----------------	----------

Commercial Terms

Accepted Payment Terms

- TT 30% deposit
- 70% upon bill of lading
- L/C

Delivery Methods

By sea, By air, By express
