

Twin Tub Washing Machine, 10 kg Wash Capacity, 6 kg Spin Capacity

This twin tub washing machine has a 10 kg washing capacity and a 6 kg spin capacity. The separate tubs for washing and spin-drying enable simultaneous operation.

Product Overview

Efficient Laundry Solution

The XPB100-998S twin-tub washing machine is designed for efficient and reliable garment care. Featuring separate tubs for washing and spin-drying, it allows for simultaneous operations to save time. Its durable, compact construction makes it an ideal, cost-effective choice for modern households requiring consistent performance.
