

Twin Tub Washing Machine

This twin tub washing machine is designed for efficient washing and spin-drying. It features separate tubs for washing and spin-drying, allowing for simultaneous operation.

Product Overview

Efficient Twin Tub Solution

This twin tub washing machine is engineered for efficiency, featuring separate tubs for simultaneous washing and spin-drying cycles. Designed with a compact footprint, it is an ideal solution for environments with limited space requirements. Built with durable plastic housing, it provides reliable performance for light to medium laundry loads.

Technical Specifications

Wash Control	Timer-controlled
Spin Control	Timer-controlled
Housing Material	Durable Plastic

Key Features

Design Highlights

- Dual tub system for simultaneous operation
- Compact design for small spaces
- Integrated timer system
- Separate spin-dry function
