Product Overview

High-Efficiency Twin Tub Washing Solution

This twin tub washing machine offers a robust solution for efficient laundry management, featuring separate tubs for simultaneous washing and spin-drying. Engineered with anti-rust materials and a rat-guard design, it ensures long-term durability even in challenging environments. The powerful motor and high RPM spin cycle deliver superior cleaning performance while maintaining energy efficiency for reduced operational costs.

Key Features

Anti-rust construction, Rat-guard wiring protection, Energy efficient, Easy-clean coating, Simple plug-and-play
