

Twin Tub Washing Machine, 8.6 kg Capacity

This twin tub washing machine is designed for efficient and convenient laundry washing. It features separate tubs for washing and spin-drying, allowing for simultaneous operation and reduced washing time.

Product Overview

Efficient Twin Tub Laundry Solution

The XPB86-286S twin tub washing machine is engineered for high-efficiency laundry management in diverse environments. By incorporating separate compartments for washing and spin-drying, this unit enables simultaneous operation to significantly reduce total cycle times. Its robust construction ensures long-term reliability while the compact footprint provides installation versatility.
