

Twin Tub Washing Machine 8kg Capacity

This twin tub washing machine has an 8kg washing capacity and a 7kg spinning capacity. It features separate washing and spin-drying compartments.

Overview

Efficiency Meets Performance

This 8kg twin tub washing machine is designed for efficient, independent washing and spin-drying cycles. With separate compartments, users can manage laundry loads effectively while maintaining a compact footprint. Its durable construction and optimized motor power ensure reliable operation for household requirements.
